

From the Rugby Learning Centre Website, Rugby Australia breaks what we call 'Juniors' into 3 key groups, **Kids** (U8-U12), **Youth** (U13's-U18's) and **Adult** (>18's). The courses are free - but the in-classroom courses incur a charge to recover costs.

For Kids the **recommended** learning is

1. Smart Rugby (online course, 90min)
2. Coaching Kids Rugby U8-U12 Programme. (Which has as a pre-requisite, Smart Rugby).
3. Kids Pathway Skills Session (U8-U12) (3 hours) - This is a classroom-based class, and the current 'sessions' listed on the site have \$40 cost. (suggest we add this into our budget).

For Youth, the **recommended** learning is:-

1. Foundation Certificate Course - Rugby (1 day classroom/practical course) - \$95
2. Coach Level 1 - Foundation Coach Programme (Smart Rugby and Foundation Certificate a pre-requisite)
 1. Level 1 Coaching Exam – 90% pass mark (online)
 2. Coaching Diary 20 Hours (self-paced assignment)
 3. Code of Conduct (online course)
 4. Member Protection and Inclusion (online course)

For Adult, the recommended learning is:-

1. Coach Level 2 - Developing Coach Programme - \$400 - less courses for this level, and most likely there will be others posted)
2. Coaching Seven Skills
3. Introduction to Developing Coach Certificate.

These levels are recommended not mandatory. I propose that we encourage and assist the coaches to get to these levels.
